Park Road
Auckland

Call for Abstracts/Posters:

We welcome interest from individuals and groups on topics related to the conference themes or other subjects of particular relevance to allied health practitioners in the health sector. We are seeking offers of high quality presentations and will select and group these to present an exciting and challenging programme for 2008.

Conference Themes:

- Future Allied Health practice and leadership
- Primary Health, context and innovations
- Service Strategy, policy & structure
- Clinical governance for the Allied Health professions

Further details regarding the Conference themes can be found at www.healthsectorconferences.org.nz. Please complete the Abstract Template (attached).

Abstracts are to be emailed to: Nicola.papps@dhbz.org.nz by **Monday 7th April 2008** as an attachment and labeled with your surname only.
